Genesee Early College UM-Flint BSN Scholarship

A career in nursing offers intellectual challenges, the use of science and technology, a multi-disciplinary approach to healthcare, a variety of work opportunities, career progression, security, and the chance to make a difference in life.

McLaren Flint is proud to offer the Genesee Early College – UM-Flint BSN Scholarship. Genesee Early College is an intensive, state-of-the-art, five-year school combining the best elements of the high school and early university experience. It is designed to prepare students for careers and advanced study in the medical and health-related professions. The school, which is operated by the Genesee Intermediate School District, is a fully integrated part of the University of Michigan-Flint community.

Students attend school on the campus of The University of Michigan-Flint, with high school classes held at the William S. White building. Upon demonstrating proficiency in specific areas (usually by grade 11), students enroll in college courses for college credit. Successful students will graduate at the end of their fifth year with their high school diploma as well as up to 60 transferable credits toward their college degree. No additional tuition is required for the program.

Students who graduate from Genesee Early College and are on the Bachelor of Science in Nursing (BSN) track at UM-Flint are encouraged to apply for this scholarship.

McLaren Flint

McLaren Flint is a regional leader in nursing care. We are one of a few hospitals in the country named in honor of a nurse. Our tradition of nursing excellence continues today. McLaren Health Care has annually been rated as one of the nation's Top 100 Integrated Health Systems by Verispan as published in Modern Healthcare. We take pride in our quality of patient care, and its value to the community.
